

2013-14

WISCONSIN FUTURE PROBLEM SOLVING

LEGACY PROJECT

Promoting Problem Solving for the 21st Century

COMMITTED STUDENTS!

THE POWER OF 100!

TO BENEFIT MORE WISCONSIN STUDENTS

Started by these FPSers in 2008, the Legacy Project seeks 100 donations of \$100 each (or any amount!) to support Wisconsin FPS activities.

FUND A LEGACY!

Project Goals

Grants for Community Problem Solving

What is CmPS?

Students apply their problem solving skills to identifying real areas of concern in their school or community and implement real solutions.

Our Goal

We would like to have up to \$2000 available as competitive grants for CmPS teams to accomplish their work.

Support to Attend the Int'l Conference

What is IC?

Wisconsin winners in Global Issues Problem Solving, Community Problem Solving, and Scenario Writing are eligible to attend the international competition.

Our Goal

The fee for each student and adult to attend IC is about \$450. We would like to support up to 60 attendees at \$100 each, for a total of \$6000.

Build the Legacy Fund

50/50 Plan

Our plan is to apply 50% of each year's donations to supporting our goals, and to save 50% in the Legacy Fund in order to build up an endowment for the future.

PARENTS! WE NEED YOUR HELP!

Give a Donation!

We welcome donations from individuals in any amount! All donors will be recognized! Donations of \$100 will be noted as part of the Power of 100 initiative. Your help is appreciated! Use the form below to submit your donation.

**Thanks for supporting
Wisconsin FPS!**

Provide a Contact!

We are more than happy to follow up with business or individual contacts you know. Please click on the link below to access an online form to provide us with information about a contact. We REALLY appreciate your help with contact information!
